**Please explain your reason for applying for financial assistance in an attached letter. Be sure to address the following in no more than 2 pages:**

- Briefly describe any previous art experiences (at SAC or elsewhere)
- Have you ever applied for and/or received financial assistance from SAC before?
- Explanation any reasons or circumstances why you would not be able to pay full tuition at this time- be specific.
- Why is the study of art so important to you? What do you anticipate that this experience will do for you, and/or your work?
- Most scholarships we award applicants are in the amount of ½ tuition, though in extreme cases of need full tuition is rewarded. If granted ½ tuition, what will you do to insure that you will be able to pay the other ½ along with any lab or material costs?
- Scholarship recipients can only obtain financial assistance once per year. What efforts are you making to insure that your study of art can continue beyond the experience for which you are currently applying for assistance?
- If you are granted financial assistance, are you prepared to in turn help Sharon Arts (volunteering your time/expertise, writing a letter of thanks to scholarship donors, etc.) Please explain....
